Dear Hiring Manager,

I am writing to express my interest in internship opportunities within your organization. I am currently pursuing a Bachelor of Science in Information Technology (BSIT) and am eager to apply my technical knowledge, analytical skills, and passion for continuous learning in a professional environment.

Through my academic coursework and self-directed projects, I have developed a strong foundation in Python programming, data analysis, web development, and problem-solving. I have worked with technologies and tools including Python, Pandas, NumPy, Scikit-learn, Django, Flask, HTML, CSS, and SQL. These experiences have strengthened my ability to learn quickly, work effectively in teams, and approach challenges with a solution-oriented mindset.

I am particularly excited about opportunities that allow me to contribute to meaningful projects while expanding my technical and professional skills. I am confident that my dedication, adaptability, and eagerness to learn would make me a valuable addition to your team.

Thank you for your time and consideration. I would welcome the opportunity to discuss how my skills and enthusiasm can contribute to your organization. I look forward to hearing from you.

Sincerely,

Raheel Hassan
